What to do? What to prepare?

Hey you! This is your personal work sheet. Fill in and keep it when being busy with your task!

This is me: _____ (name)

I am from: _____ (country)

Tomorrow morning you will **explore a job** in Düsseldorf, together with students from all participating countries, your **mixed international group!**

1. Name your international explorer-group!
(f.e. "simply the best", take another one, this is already taken 😊)

The other participants are:

| Name | age | country |
|------|-----|---------|
| | | |
| | | |
| | | |
| | | |
| | | |
| | | |

We will visit the company: _____

They produce / offer: _____

We explore the job(s): _____

The name of the interviewed person is: _____

Now, think about **questions, you may ask**, when you are at the working place of the professional. What would you like to know further the **items of the job card?**

*

Write text

My/our questions:

1. May we take some fotos for our presentation?

2.....

Here pls write down the answers: (use further sheets if necessary)

In the end you and your group, **you have to present**, what you've found out! Show us **photos, films, a powerpoint, what you like, of course the filled job card template but also a little more...** And **tell us**, what was interesting, special, exhausting or unbelievable...
